make your own colourcombination or size 'made to measure'

Nina's skirts are made in standard sizes for children in the webshop. Is your size or favourite colour not available? Nina will be happy to make you a personal custom-made piece: skirt, dress, bag or pillow. For children as well as adults. Customized possibilities and prices are on request and depend on the availability of scrap material and size. There is a charge of 5€ for customizing your size and processing your order.

Check nina's portfolio for colourinspiration.
send in your custom order

You can send custom orders by e-mail to nina@ninacity.com or use the custom order category in nina's scrap shop to send your e-mail. Please specify:

-

the colors you would like. Please note that nina makes one of a kind creations. Color combinations and sizes are limited due to the availability of scrap material.

-

your e-mail and shipping adress.

Nina will get back to you by e-mail to describe possibilities, give the expected delivery time and to send a photo of the available material in the colour combination you have specified. After agreement nina will send you a confirmation, including total costs of your custom order. Your order will be processed after receiving payment. It is not possible to return customized products, unless it is very different from the agreed specifications. Please note that a deviation of 1 cm in waist size falls within the agreed specifications.new: stamp your name!

Nina uses stamps to identify her funky leatherwear. Now you can personalize your custommade leatherwear by stamping your name inside! Please specify your wishes in your order.
